## DAY OF VOLUNTEER INFORMATION

### Who is Habitat for Humanity?

Habitat for Humanity is an international non-profit organization with the overall mission to eliminate homelessness and substandard housing worldwide.

In 2020, Habitat built 10 houses on Grandview Avenue in the Buckeye-Woodhill neighborhood. In 2021, we are building 10 houses on Hulda, one street south of Grandview. The 2021 Faith Build is sponsoring one of these homes. The Faith Build house is part of a 40 home build on 4 adjacent streets from 2019-2023. We are also acquiring 12 vacant houses to be rehabbed that are in the same neighborhood.

**You are not just building a house, you are impacting families and changing a community.**

### What will I be doing?

You will volunteer alongside Habitat Staff and longtime volunteers to build a home for a qualified Habitat family. You do not need any special skills- just kindness.

**Location:** The 2021 Faith Build House is 10818 Hulda Avenue, Cleveland, OH 44104.

Depending on where we are at in the build, it is possible you may work at a Habitat neighboring house on the same street.

### Typical Construction Day:

- 9:00am Arrive ☺ Prayer, safety orientation, sign-in and joyful work
- 12- 12:30 Lunch (For time and fellowship reasons, we ask that you bring your lunch.)
- 12:30-3:00 More joyful work, clean up and reflection

### All abilities are welcome.

Please know that every task you help with aids in building a home for a family. Some tasks may seem small, but they are all important.

**Lunch:** We ask that volunteers bring their lunch. We often work in areas where a quick lunch is not convenient. If you have a folding chair please bring that along, depending on where we are in our progress we may not have seats available.

**Bathrooms:** Bathrooms fluctuate between port o lets and functioning bathrooms in the house.

**Parking:** On street parking is available but space is limited. Please consider car-pooling.

**Ages on Construction:** 16 years of age or older (16-17 must be accompanied by an adult).

**Clothing:** Wear closed toed, puncture and slip resistant shoes. Wear comfortable clothing that you do not mind getting dirty. We work in all weather conditions. Raincoats and layers are always a good idea.

**Volunteer Dates available:**
